'MOST BEAUTIFUL GIRL' THEME OF THS PROGRAM

The THS 11th annual variety show will be held Friday and Saturday, Feb. 21 and 22, at 8 p.m. in the Torrance High School auditorium. The title of this year's production is "The Most Beautiful Girl."

The show has four acts—in a TV studio, a high school campus, a Texas county fair, and a Midwest college campus. The acts will feature dance routines, vocalists, skits, a male glee club, and a dance orchestra.

The narration is handled by Jim Weyant, Jack Rettig, Jim Sena, Danny Fulton, Berta Rogan, Gwenn Hull and Claudia Smith.

There will be an abundance of both male and female vocalists including Sue Larson, Charlotte McCombs, Carol Johnson, Marion Hannemann, Yvonne Graham, Russell Vanderpool, Lonnie Kendall, Gary Portray, Sharon Wisham, Jim MacDougall, Donna Moore, Pat Travis, Judy Ahrendt, Diana Cook, Charlotte Percy, Ken Robertson and Alice Mewborn.

The comedy will be furnished by Joyce Hockey, Danny Fulton, Frank Corsentino, Karen Crist, Diane Davey and Jo Beth Jackson. A few laughs should come from the unusual commercials spotted throughout the show.

B. Richard McKinney, field consultant in the Department of Public Safety of the Automobile Club of Southern Cali-

fornia, will be featured speaker at the meeting of the League for New Parents, South Bay Unit, on Friday, Feb. 21.

The meeting will be in the Redondo Union High School Science Building at 10 a.m., according to Mrs. Mary Jane Hungertford, 503 Camino de Encanto, president.

McKinney has worked with civic, educational, and service groups in the field of safety and will discuss, "Outdoor Safety for the Preschooler." He will show a film, "Impact," designed to motivate parents for improving their own safety.

"If there are two children in your family, statistically speaking, one will be killed or injured in traffic during their lifetimes," McKinney reported.

Safety Program Underway Now at Crenshaw School

The Crenshaw School safety committee will entertain the students and faculty with a series of activities. This program is under the guidance of Donna Bayliff, president of CSC and vice president of the student advisory council, and Frank Demyan, faculty advisor.

A written examination on bicycle safety was given all bicycle riders last week. It consisted of 25 questions on bicycle safety and care, under the direction of Barry Levy, vice president of CSC, and Roger Morgan, member of the committee.

Judging Set
Bicycle condition, brake and signal tests, and courtesy were judged by Carol Augsburger, secretary; Adriene Barnett, treasurer; Cheri Rickabaugh, Carol Scoville and Rocky Zar. Drivers' licenses were presented to those who passed the tests.

All entries were graded with the 16 highest scorers to participate in a rodeo which is scheduled for March 28. Cer-

tificates of merit were also awarded. The rodeo will be held at Crenshaw Elementary School's playground. This program will consist of coasting around a circle, in and out of pins, stopping on a line, a brake test, maneuvering in circles and figures, a square dance, and clown riding. A special feature of the rodeo will be the Crenshaw Cadets, a newly formed drill squad made up of boys selected from grades four through seven.

Poster Contest
The Crenshaw Parent-Teacher Association's safety committee and the Crenshaw student advisory council safety committee are currently conducting a safety poster contest at the school. All posters must pertain to safety, and they will be judged on the originality of getting the message across. The deadline date for this contest is March 25. All posters handed in before March 25 will be judged and selections made for local and state contests.
